## **Sub – Outcome of Board meeting held on 18<sup>th</sup> April, 2020**

Dear Sir,

This is to inform you that, the Directors in the Board meeting held on 18<sup>th</sup> April, 2020 took up the following matters other than the routine business matters:

### **Discussed the status of the proposed preferential allotment and also the future course of action in the current situation of lockdown due to COVID - 19 pandemic.**

In respect of the proposed preferential issue of 11,79,800 equity shares, the Company had duly submitted in-principal application for approval of BSE. However, approval of the same was yet to be received by the Company.

The government has declared lockdown on 22<sup>nd</sup> March, 2020 which is further extended till 3<sup>rd</sup> May, 2020 leading to timely uncertainties about the smooth functioning of the market. Consequent to the lock down, the Company had received intimation/e-mails from some of the proposed investors who were unwilling /backing out from making investment now in the current unforeseen situation of lockdown on account of COVID - 19. Due to lock down, it is difficult for the Company too to function fully and operationally and also to meet the procedural formalities of the proposed preferential allotment.

Considering the e-mails (as enclosed) received from the said proposed investors, the uncertainty of the lock down and the difficulties in the current situation for carrying the procedural formalities, the Board of the Company in its discretionary power had decided to withdraw the in-principle application and cancel the proposed preferential issue.
